

# My Chinese Teacher

## Chinese Language and Culture Program for Primary Schools

---

**What it is:** a comprehensive Chinese Language and Culture Program for your school with a Beijing-based Chinese teacher

**How it works:**

- A weekly 25 minute interactive lesson is delivered to the Australian classroom
  - Lesson plans and learning outcomes are provided for each interactive lesson
- Students receive a workbook to work through as they make their way through the course; and the Australian in-classroom teacher is provided with the answers
- Flash cards used in the lessons are distributed to the Australian teacher to be hung around the classroom
- Pronunciation videos are provided online to help students and teachers pronounce the Chinese words
- Assessment and Reporting support is provided

**What technology you need:**

- *Laptop with Projector/Interactive Whiteboard/TV:* the classroom can be connected through software

**What is covered:** Students are taken through a curriculum that is aligned with the Australian Curriculum; it is scoped and sequenced to take students on a pathway from Foundation to Grade 6.

**Who runs the *My Chinese Teacher* program:** It is an Australian company currently delivering Chinese language programs to over 130 schools across Australia and New Zealand.
